

# Jabra Evolve 75

## The best wireless headset for concentration in the open office\*

The Evolve 75 is a wireless headset with superior Active Noise Cancellation and integrated busylight to enhance your productivity.

Dual connectivity to two Bluetooth® devices allows you to take calls and listen to music from the same headset, giving you extra freedom to move 100ft/30m away from your smartphone and/or PC.

**Outstanding sound for calls and music**  
HD voice for your calls and world class speakers for music.

**Reduce noise and interruptions**  
Superior ANC and integrated busylight acting as a do not disturb signal.

**More freedom**  
Dual Bluetooth® connectivity to two devices at the same time for calls and music, with the flexibility to move up to 100feet/30 meters away from your connected device.

More reasons to choose

Works with

For compatibility information go to [jabra.com](http://jabra.com)

**Bluetooth®** [jabra.com/ANC\\*](http://jabra.com/ANC*)

# How to connect

## PC

The headset and the USB dongle are pre-paired and ready for use.

## Smartphone

Switch on Bluetooth pairing and then follow the voice-guided instructions in the headset.

# How to use

**Listen-in**  
Listen to your surroundings without taking off your headset.

---

**Active Noise Cancellation**  
Eliminate unwanted background noise at the touch of a button.

**Charging**  
Use the USB cable or charging stand. The charging stand should be plugged into a powered USB port on your PC, docking station, or wall charger.

It takes approx. 3 hours to fully charge the headset.
